HARMONY.

Safety Data Sheet

Section 1: Identification of the Substance/Preparation and of the Company/Undertaking

Product Name: Soak Off Gel Polish

Product Use: Cosmetics Reference: RL S6

Product #s : 1110179 (04684)

Section 2: Hazards Identification

.

EMERGENCY OVERVIEW

This information is based on findings from related or similar materials.

Flammable Liquid
May be slightly toxic.
May cause moderate skin injury (reddening & swelling).
May cause eye irritation

(800) 535-5053

(714) 773-9758

Potential Health Effects, Signs and Symptoms of Exposure: Eye Irritating to the eyes. Symptoms of overexposure may include redness, itching, irritation and watering

-

-

Eye Skin Ingestion Inhalation

If product is swallowed, may cause nausea, vomiting, and/or diarrhea Vapors of this product may be slightly irritating to the nose, throat and other tissue of the respiratory system. Systems of overexposure

SDS Prepared: 3/7/2017

 Section 4: First Aid Measures

 First Aid for Eye
 Splashes are not likely, however, if product gets into the eyes, flush with plenty of water for at least 15 minutes. If irritation occurs, seek medical attention immediately.

 First Aid for Skin
 Remove contaminated clothing and wash contact area with soap and water for 15 minutes.

 First Aid for Inhalation
 In case of exposure to a high concentration of vapor or mist, remove person to fresh air. If breathing has stopped, administer artificial respiration and seek medical attention.

 First Aid for Ingestion
 If appreciable quantities are swallowed, seek medical attention.

Section 5: Fire Fighting Measures

Flash Point (°F/ °C)		Flammable Limit (vol%) Auto-ignition Temperature (vol%)					
38°F/ 3.33°C		No Data No Data					
Method:							
WARNING: Flammable. Keep away fro	om heat, lit cigarettes, sparks & op	en flame .Keep container	s closed				
Extinguishing Media:	Use carbon dioxide or dry	chemical for small fires; a	queous foam or water for large fires.				
Fire Fighting Instructions:	•		eathing apparatus and complete personal protective equipment when entering				
	confined areas where potential for exposure to vapors or products of combustion exists.						
Section 6: Accidental Release	e Measures						
Spill:	Before cleaning any spills of	or leak, individuals involve	d in spill cleanup must wear appropriate Personal Protective Equipment. Dike and				
	contain spill with inert mate	rial (e.g. sand or earth). U	Ise ONLY non sparking tools for recovery and clean-up. Transfer liquid to containers				
	for recovery or disposal an	d solid diking material to s	separated containers for proper disposal. Remove contaminated clothing promptly				
	and wash affected skin are	eas with soap and water.	Keep spills and cleaning runoffs out of municipal sewers and open bodies of water.				
	• •	US Regulations (CERCLA) require reporting spills and releases to soil, water and air in excess of					
			Coast Guard National Response Center is (800) 424-8802. EU Regulations				
	•	require the consultation of Directive 98/24/EC. Dispose and report per regulatory requirements if necessary. Please prevent					
	washings from entering wa	terways.					
Section 7: Handling and Stor	age						
la a alla av	Keep container closed when not in use. Avoid prolong contact with the product. Avoid breathing vapors of this product.						
Handling:	Keep container closed whe	en not in use. Avoid prolor	ig contact with the product. Avoid breathing vapors of this product.

To the best of our knowledge, the ecotoxocological and chemical fate properties have not been thoroughly investigated.

Do not allow to enter drinking water supplies, wastewater, or soil.

Section 13: Disposal Considerations

Waste disposal must be in accordance with appropriate Federal, State and local regulations. US. EPA Waste #: D001

Dispose of diking materials and absorbent in compliance with State, Local, and Federal regulations. Residual vapors may explode on ignition; do not cut, drill, or weld on on or near the container. Mix with compatible chemical which is less flammable and incinerate. Whatever cannot be saved for recovery or recycling should be handled as hazardous waste and sent to a RCRA approved waste facility. Processing, use or contamination of this product may change the waste management options. State and local disposal regulations may differ from federal disposal regulations. Dispose of container and unused contents in accordance with federal, state and local requirements. For EU Member State, please refer to any relevant Community provisions relating to waste. In their absence, it is useful to remind the user that national or regional provisions may be in force.

Section 14: Transport Information
